Clare of Assisi and Advent Prayer: *Lectio Divina* presented by Dr. Eileen Flanagan

In the *Letters to Agnes of Prague*, Clare instructs Agnes, a prominent princess who desires to follow the way of life practiced by Clare and her Poor Sisters in San Damiano. Mandated by the papacy to follow the *Rule of Benedict*, Clare integrates Benedictine wisdom, especially the method of *lectio divina*, and shares her own unique approach to *lectio* and *meditatio* with Agnes. Our Advent evening will focus on engaging Clare's graced insights about "gazing" on the medieval mirror, a metaphor "for Him who was placed in a manger and wrapped in tiny garments" (4 LAg 19).
