

Reverence Reflections

Each year we highlight one of the core values and try to grow in the understanding and practice of that value and the actions that flow from it. For the 2019-2020 academic year, our focus is on **Reverence**.

Tea and Conversation Sessions

3:00 - 4:00 PM

in the Ministry House

During this year we invite all members of the Neumann community to reflect personally on **Reverence**, and we encourage units and divisions to make time to share how you might bring the value of **Reverence** to life on our campus!
