About this program. . .

The Bardi Dossal of St. Francis in Santa Croce, Florence, Italy, painted around 1245 is witness to the alternative vision of St. Francis for his church and society. Through the lens of this significant story in Art, together with St. Francis's little known *Salutation of the Virtues*, Giles and Kathleen have designed a program that addresses the “sea changes” happening in these times toward the retrieval of the Franciscan theological tradition. This is a program rich in content, resources, exchange and new hope. This is both a general program and a training workshop that can be adapted to the needs of any group. Those choosing the training will leave with all resources necessary to give the program as needed.

Giles Schinelli TOR, presently Director of the San Pedro Pastoral Center, Winter Park FL, serves the Franciscan family as scholar, retreat director, and pilgrimage team member. As the Franciscan Federation's President, Committee member and Task Force participant, he has enabled a re-newed vision.

Kathleen Moffatt OSF, Sister of St. Francis of Philadelphia, Director of the Office of Franciscan Charism Services, Aston PA, is presently collaborating with the OFM Commission on the Franciscan Intellectual Tradition (CFIT) in the creation of teaching resources, and is preparing a new Manual on the TOR Rule, for particular use in the developing nations, sponsored by the International Franciscan Conference IFC-TOR, Rome.

Registration Deadline: October 9, 2012
