

**YOU ARE INVITED TO ATTEND**

**UNEARTHING THE HEALTH CONCERNS  
RELATED TO  
UNCONVENTIONAL NATURAL GAS DEVELOPMENT (UNGD)**

**PRESENTED BY DR. RUTH McDERMOTT-LEVY**

**WEDNESDAY, MARCH 9, 2016**

**12:40 – 2:10 PM**

**LOCATION: BRUDER LIFE CENTER GYM**

**THIS PROGRAM WILL INCLUDE THE FINDINGS OF FOCUS GROUP INTERVIEWS REGARDING HEALTH CONCERNS OF COMMUNITY MEMBERS LIVING IN A NORTHEASTERN PENNSYLVANIA COUNTY THAT IS UNDERGOING THE INDUSTRIALIZATION OF UNGD. THESE FINDINGS AND THE RESEARCH OF OTHERS WILL BE RELATED TO NATURAL GAS AND THE CALL TO CARE FOR OUR COMMON HOME.**

**About the presenter:**

**Dr. Ruth McDermott-Levy is an Associate Professor and Director for the Center for Global and Public Health at Villanova University, College of Nursing. Her area of nursing expertise is public health nursing with a focus on global health and environmental health. Her current research is related to environmental health risk and community education.**
