

## Doctor of Nursing Practice Program Verification of MSN Specialty Hours

Dear Program Director:

The below named student is applying to Neumann University School of Nursing and Health Science's Doctor of Nursing Practice (DNP) program. All students seeking to obtain a Doctor of Nursing Practice degree must complete 1,000 hours of practicum experience post-baccalaureate. Hours earned during the student's Master of Science Degree may be applied toward the 1,000-hour requirement.

Students who have completed their MSN degree or Post-Graduate Certificate are required to submit this Verification of Specialty Hours form for the DNP Program Director to determine if additional practicum hours are required prior to the student enrolling in the DNP Residency courses.

Once completed, please submit this form to: [GRADADULTADMISS@neumann.edu](mailto:GRADADULTADMISS@neumann.edu)

*An institution-specific form to verify practicum hours may be substituted.*
