## WELCOME TO THE FAMILY

**New Student Orientation** is designed to ensure that you and your family have a smooth transition to our Neumann family and to college life. As a ***NeuKnight***, you will spend two days on campus, stay overnight in a residence hall, meet fellow new students, and bond as the Class of 2022. Your family members are welcome and encouraged to attend. They will participate in their own orientation during the first day while you enjoy yours.

During Orientation you will:

- Meet your fellow new students and their families
- Connect with current students, faculty and staff
- Learn about Neumann's resources and services
- Meet with an advisor and receive your course schedule
- Take care of other practical items to get ready for the fall semester.

**New Student Orientation is required for students.  
Please see your personalized website for  
registration information in early May.**
